Executive Board Meeting: We haven't had any meetings yet this year but in 2018 we had someone fall in the parking lot and break their arm. We were cleared of all charges and found not liable. Suzann Mathers has been our insurance agent for 18 years now and she has provided Josh with our insurance loss reports dating back to 2002. Our loss has been most minimal, about \$1700 over all these years.
